Сводка

The Associate Manager, Scientific Writer is responsible for leading and updating high-quality, scientifically accurate medical communications, including labels. This position requires comprehensive expertise in planning, execution, compliance, internal stakeholder management, and mentoring. Responsibilities include reviewing, updating, or creating scientifically and medically accurate content for commercial and medico-marketing materials such as newsletters, RTEs, civics, social media posts, websites, digital and print brochures, and banners. The role also involves updating existing or new assets for Novartis brands and products to ensure they reflect the latest changes to Important Safety Information (ISI), Prescribing Information (PI), or other reference documents. These updates must comply with stringent Medical-Legal-Regulatory (MLR) guidelines and specifications. As part of Studio Operations, this individual will need to collaborate closely with colleagues across all Novartis locations (India, US, Ireland, and Mexico), work within a metric-driven environment, maintain the highest quality standards, and consistently embody Novartis values and behaviors.

About the Role

Location – Hyderabad #LI Hybrid

Key Accountabilities:

- Develop and review scientifically accurate, engaging, and compliant promotional materials including iCVAs, brochures, digital campaigns, Emails, social media posts, banners etc.
- Ensure messaging is consistent with brand strategy and aligned with approved product positioning.
- Support omnichannel content planning by identifying opportunities to repurpose scientific content for multiple formats and platforms targeting different audiences.
- Contribute and develop to modular content models.
- Monitor and interpret label updates and ensure timely content revision across all promotional assets.
- Liaison with editorial, creative and regulatory teams to ensure alignment of promotional content with latest approved label.
- Mentor junior writers, providing guidance and training on commercial writing, label integration and compliance standards.
- Coordinate closely with medical writing leads, project managers, graphics teams, and clients
- Conduct peer reviews and mentor junior writers to meet client and quality expectations
- Develop and maintain label update checklists, to ensure consistency of the updates across materials.
- Partner with scientific writers, creative and digital teams to ensure efficient, high-quality content development workflows.

Essential Requirements:

- Advanced degree in life sciences, pharmacy, medicine or related field.
- 5+ years of experience in scientific writing with a strong focus on promotional material, content planning and label updates.
- In-depth understanding of promotional scientific communications, clinical data interpretation, and pharmaceutical regulations.
- Familiarity with promotional content review systems and relevant codes.
- Strategic mindset with ability to contribute to content planning and campaign design.
- Excellent written and verbal communication skills.
