Сводка

Are you excited by turning business questions into clear, actionable insights—delivered with rigor, speed, and great stakeholder experience? As an Integrated Insights Senior Analyst in São Paulo, you will help deliver insight and analytics services through a structured project management approach, ensuring high-quality outputs that meet agreed service levels. You will collaborate with multiple stakeholders, maintain strong documentation standards, and contribute to knowledge assets that accelerate decision-making across the business

About the Role

#LI-Hybrid

Location: São Paulo, Brazil

This role is based in Sao Paulo, Brazil Novartis is unable to offer relocation support for this role: please only apply if this location is accessible for you.

Key responsibilities

- Deliver customer requirements in line with agreed service levels, using a structured project management approach with clear documentation and proactive communication.
- Ensure quality assurance across deliverables, maintaining the highest standards of accuracy and consistency.
- Drive on-time delivery within stipulated deadlines while managing multiple projects and stakeholders effectively
- Support the creation and maintenance of standard operating procedures (SOPs) and process documentation to strengthen operational excellence.
- Develop and maintain knowledge repositories capturing qualitative and quantitative reports; contribute to continuous improvement through knowledge sharing sessions.
- Report technical complaints / adverse events / special case scenarios related to Novartis products within 24 hours of receipt, in line with internal processes.
- Support distribution of marketing samples where applicable and compliant.

Essential requirements

- Experience in **project management** and operational execution, with demonstrated ability to manage multiple stakeholders and priorities.
- Working experience within the **pharmaceutical industry** (or similarly regulated environment).
- Strong analytical and problem-solving capability, with attention to detail and quality mindset.
- Hands-on experience with analytics and marketing insight topics such as campaign measurement, marketing communications, or strategic marketing support.
- Excellent written and spoken **English**.
