Сводка

At Novartis, we are reimagining medicine to improve and extend people's lives. As a Sales Representative, you will play a key role in strengthening our presence in the Southern Region of Chile by building trusted partnerships with healthcare professionals and delivering scientific, value-driven conversations that make a meaningful impact on patients.

This role requires strong mobility across the region and the ability to manage a diverse portfolio across multiple therapeutic indications, combining scientific credibility with commercial excellence.

About the Role

#LI-Onsite

Location: Chile | Southern Region (Concepción, Los Ángeles, Valdivia, Chillan and Temuco)

This role is based in **Concepción, Chile** Novartis is unable to offer relocation support for this role: please only apply if this location is accessible for you.

Key Responsibilities

- Develop and maintain strong relationships with physicians and healthcare professionals across the assigned territory
- Deliver high-quality scientific and commercial product information in compliance with Novartis standards
- Execute territory planning and coverage with a strong focus on customer needs and business priorities
- Effectively influence clinical decision-making through data-driven, ethical, and customer-centric interactions
- Collaborate closely with internal stakeholders, including Marketing, Medical, and Sales leadership

Essential Requirements

- Solid scientific foundation with the ability to communicate complex data clearly
- Strong communication, influencing, and relationship-building skills
- Willingness and flexibility to travel frequently by car across the region (Concepción, Los Ángeles, Valdivia, Chillan and Temuco)
- Results-driven mindset and strong territory management capabilities

Desirable Experience

- Previous experience in **high-cost therapies**
- Exposure to therapeutic areas such as **Oncology, Hematology, Immunology, Neuroscience, or Respiratory**
- Experience working in highly competitive markets
