As Commercial Partnerships Lead, APMA, you will play a key role in shaping and advancing strategic commercial partnerships that strengthen the portfolio across the region. You will identify and evaluate high-potential external opportunities, guide partnership governance and due diligence, and help ensure successful execution once partnerships are in place.

This is an exciting opportunity for a commercially minded leader who thrives in complex, cross-functional environments and enjoys working across markets, stakeholders, and external partners to unlock value and drive impact.

About the Role

Major Accountabilities

Commercial Partnership Opportunity Identification and Assessment

- Identify and assess commercial partnership opportunities across countries and geographies
- Support countries in prioritizing the most viable partnership options
- Evaluate strategic and commercial fit based on portfolio and market needs
- Analyze partnership ecosystem strengths, gaps, and constraints
- Provide structured insights to inform regional and country decision forums

Deal Governance, Due Diligence, and Approval

- Coordinate partnership deal governance and approval processes
- Ensure deal assessments meet internal guidelines and policies
- Support due diligence across commercial, legal, and finance functions
- Prepare clear documentation for governance and approval bodies
- Ensure alignment with MAL policy (Medical Affairs and Legal policy) requirements

Alliance Management and Partner Performance

- Build and maintain effective relationships with external partners
- Monitor partnership performance against agreed deliverables
- Track financial and profit and loss (P&L) impact of partnership deals
- Ensure compliance with contractual and governance obligations
- Oversee audits and follow-up actions related to partnerships

Requirements:

- University degree in Business, Life Sciences, or related field. Advanced business, finance or management qualification e.g. MBA desired
- 8–12 years in commercial partnerships, business development, or licensing
- Experience in pharmaceutical, healthcare, or life sciences environments, understanding of the pharma product lifecycle
- Exposure to regional or multi-country commercial operations
- Experience supporting partnership governance and approvals
- Commercial assessment and opportunity prioritization
- Financial and P&L impact awareness
- Understanding of partnership deal structures and governance
- Ability to manage alliance performance and compliance
