Sales Representative – Radioligand Therapy
Location : Riyadh
#LI-Onsite

Are you passionate about building meaningful customer relationships and improving patient outcomes? Join Novartis as a Sales Representative supporting our Radioligand Therapy portfolio, where you will play a key role in engaging healthcare professionals, strengthening nuclear medicine pathways, and driving compliant, ethical sales growth.

If you are motivated by science, customer partnership, and the opportunity to help shape the future of nuclear medicine, we'd love to hear from you.

About the Role

Major accountabilities:

- Drive sales growth by identifying, prioritizing, and engaging high-potential healthcare professionals and key stakeholders who influence treatment decisions.
- Create positive, customer-centric experiences through value-based conversations across in-person and virtual channels.
- Build trusted, long-term relationships with physicians, radio-pharmacists, nuclear technologists, medical physicists, opinion leaders, and other key medical influencers.
- Use customer insights, data, and feedback to develop and adjust territory, account, and engagement plans.
- Educate healthcare professionals on clinical value, patient identification and selection, and diagnostic and therapeutic workflows.
- Represent the Novartis Radioligand Therapy portfolio with key stakeholders involved in the treatment pathway.
- Support hospitals in the establishment or expansion of nuclear medicine centers.
- Collaborate compliantly with cross-functional teams to address unmet customer and patient needs.

Requirements:

- Saudi national with at least two years of nuclear medicine technical experience in a hospital setting.
- Strong understanding of healthcare systems, hospital operations, and customer engagement in a clinical environment.
- Knowledge of nuclear medicine workflows and related diagnostic and therapeutic pathways.
- Strategic thinker with strong execution capability and the ability to translate insights into action.
- Excellent communication and relationship-building skills, with a strong commitment to ethical and compliant ways of working

Languages:

- Arabic & Fluency in English is a must.
