Сводка

Plays a pivotal role in supporting the development and execution of the end-to-end brand strategy across Key markets. As part of the commercial team this role will closely work with the stakeholders of key markets and Regions, driving the successful launch and growth, supporting the launch and other upcoming indications. The incumbent will collaborate closely with Medical Affairs, Value & Access, and Customer & Market Activation teams to drive consistent strategy development and execution. Lead and develop a high-performing sales and marketing team and build effective and enduring business relationships with key customers/ stakeholders. As a TA head leads, manages and develops the overall performance of the TAs current and future product portfolio and delivers sales and profits within agreed budgets. Typically leads a small revenue country organization, covering both sales and marketing activities, with responsibility to drive performance and develop operational strategy of one or more product portfolio.

About the Role

Major accountabilities:

(Region/cluster/country)

- Accountable for delivering the TA sales, market share, and profitability to meet or exceed budget targets.
- Defines, develops and oversees short and long-term strategic marketing (and sales) plans in line with regional & global marketing strategy.
- Monitors market trends, sales and product performance, conducts regular reviews against plans and takes corrective action as required.
- Drives the growth of the TA by establishing growth plans for existing products, effectively manages their life cycle, successfully launches line extensions and new products; establishes and manages effective strategic partnerships.
- Enhances sales force capabilities and continues to develop innovative commercial strategies to ensure success in an evolving healthcare environment.
- Partners with other TAs heads and supports in the development of an agile, customer-led digital and customer solutions strategy which meets the evolving needs of the business, our customers and patients.
- Responsible for the budget and financial performance of the unit.
- Successfully lead the TA team, managing all people-management related processes (recruiting, performance management, coaching).
- Identifies and builds key capabilities, talent pipeline and ensure proper development of assigned people.
- Reporting of technical complaints / adverse events / special case scenarios related to Novartis products within 24 hours of receipt
- Distribution of marketing samples (where applicable).

(Launch and Execution)

- Support the development and execution of comprehensive marketing strategies, including, product positioning, differentiation, and scientific message to maximize market penetration.
- Partner with the launch teams of the Key countries to create robust strategic plans, ensuring meticulous execution and performance measurement.
- Continually collect and integrate feedback from countries and regions to refine and enhance brand strategy and specific projects or deliverables.
- Analyze market trends and market research, capturing perspective from customers, deeply understanding market dynamics, competition. Use data-driven insights to inform strategic decisions.
- Develops and strengthens strategic relationships with customers (e.g. physicians, key accounts, specialty pharmacies, KOLs and payors) to support medical and commercial activities in alignment with compliance guidelines.
- Optimize sales force performance and return on investment.
- Ensures alignment to all Ethics, Risk & Compliance policies and manage key processes.
- Reporting of technical complaints / adverse events / special case scenarios related to Novartis products within 24 hours of receipt.
- Distribution of marketing samples (where applicable)
