What if your legal expertise could help shape some of the most strategic real estate and business transactions across a global healthcare leader?

As Senior Legal Counsel Real Estate and Commercial Contracting, you will be a trusted business partner, providing strategic legal guidance on complex real estate, facilities, commercial contracting, and environmental matters across Switzerland and beyond. Working closely with senior stakeholders and cross-functional teams, you will help drive critical projects, manage risk, support business growth, and influence key decisions that enable Novartis to continue reimagining medicine for patients worldwide.

About the Role

Key Responsibilities

- Provide strategic legal counsel on complex real estate, facilities, and commercial contracting matters.
- Lead the drafting, review, and negotiation of high-value transactional agreements.
- Partner with global and local stakeholders to identify risks and deliver practical solutions.
- Support mergers, acquisitions, licensing, and other strategic business transactions.
- Manage external counsel while ensuring effective oversight of legal spend.
- Advise on environmental, health, safety, and sustainability-related legal matters in Switzerland.
- Develop legal processes, guidance, and training that enable informed business decision-making.

Essential Requirements

- Qualified Swiss lawyer with significant post-qualification experience in commercial contracting and real estate matters.
- Proven experience supporting complex real estate transactions within industry or private practice.
- Strong expertise in drafting, reviewing, and negotiating complex commercial agreements.
- Demonstrated experience leading negotiations and managing multiple legal projects independently.
- Ability to prioritize competing deadlines and deliver high-quality work in a fast-paced environment.
- Excellent stakeholder management skills with experience collaborating across global cross-functional teams.
- Strong communication, influencing, and relationship-building skills with a collaborative mindset.

Desirable Requirements

- Fluency in written and spoken English and German highly preferred
