Your legal expertise can help shape confident business decisions and protect what matters most. As Senior Legal Manager, you will partner closely with business teams in North Africa and Middle East markets to navigate complex legal matters, manage risk, and develop practical solutions that support Novartis' objectives. You will bring sound judgement to contracts, disputes, litigation, and investigations while contributing to initiatives that strengthen collaboration, culture, and effectiveness across the Legal team.

About the Role

Key Responsibilities

- Partner with business leaders to provide strategic legal guidance and risk-based solutions.
- Lead legal support for North Africa and Middle East markets
- Draft, negotiate, and advise on a broad range of commercial agreements.
- Assess legal risks and recommend practical actions to protect business interests.
- Advise on litigation, investigations, and contract disputes when required.
- Contribute to legal team initiatives that enhance culture, collaboration, and efficiency.
- Maintain expertise in relevant laws, regulations, and industry developments.

Essential Requirements

- Qualified lawyer with admission to practice law in Egypt.
- Approximately 8 years of legal experience supporting commercial or corporate organizations.
- Strong ability to provide practical legal advice and balanced risk assessments.
- Experience drafting, negotiating, and advising on a broad range of commercial agreements.
- Fluency in Arabic and English, French would be a plus
- Proven success working in a complex matrix environment and partnering with business leaders.

Novartis is a proud member of the ILO Global Business and Disability Network and the Valuable 500, promoting the inclusion of people with disabilities in workplaces around the world. We also collaborate with international partners, such as Disability: IN, Purple Space, and Business Disability Forum to identify and develop best practice solutions to enable people with disabilities to participate as equal members of our organization.

Why Novartis: Helping people with disease and their families takes more than innovative science. It takes a community of smart, passionate people like you. Collaborating, supporting and inspiring each other. Combining to achieve breakthroughs that change patients' lives. Ready to create a brighter future together?
