Sales Representative, RLT
Location: Taipei

#LI- Hybrid

Are you passionate about transforming customer engagement and helping improve patient outcomes? We are looking for a driven Sales Representative to accelerate growth, build trusted partnerships with healthcare professionals, and deliver meaningful, customer-centric experiences across the assigned territory.

Join us and help reimagine customer engagement while contributing to better outcomes for patients. Apply now or share this opportunity with someone who could be a great fit.

About the Role

Major accountabilities:

- Drive sales performance and achieve territory targets through effective planning and execution.
- Use customer and market data to identify and prioritise high-potential healthcare professionals and stakeholders who influence treatment decisions.
- Lead value-based conversations, in person and virtually, to understand customer challenges, decision drivers, pain points, and opportunities.
- Personalize and orchestrate customer journeys across multiple channels based on customer needs and preferences.
- Build sustained, trusted partnerships with healthcare professionals, opinion leaders, and medical influencers.
- Deliver memorable, customer-centric experiences by understanding the healthcare environment and supporting the right patient at the right time.
- Gather, analyse, and share customer insights to strengthen territory plans, campaigns, content, and cross-functional decision-making.
- Collaborate compliantly with internal teams to develop solutions for unmet customer and patient needs.

Requirements

- Minimum 3 years sales experience in pharmaceutical or healthcare industry with proven track record.
- Experience with RLT, Oncology or Urology
- A commercial mindset with a strong focus on execution and results.
- Ability to execute omnichannel customer journeys effectively.
- Analytical skills to interpret data and KPIs.
- Strong communication and interpersonal skills.
- Ability to work independently while collaborating across teams.
- Proven ability to use digital and AI tools as part of daily work.
