Сводка

Lead the West Region Field Access Team in translating company priorities into regional access strategies and delivering access objectives through disciplined execution and cross-functional collaboration. Build strategic partnerships across regional healthcare systems to advance sustainable patient access and business growth.

About the Role

Key Responsibilities

- Define regional access objectives and strategies aligned with company priorities, and drive execution to deliver business impact.
- Interpret national and local healthcare and reimbursement policies, identify regional opportunities and risks, and provide actionable insights for business decisions.
- Lead end-to-end delivery of regional access initiatives through strong cross-functional alignment and disciplined execution.
- Build long-term strategic partnerships with key regional healthcare stakeholders to advance sustainable patient access.

Key Performance Indicators

- Achievement of regional reimbursement and formulary listing objectives.
- Price outcomes against agreed targets.
- Timeliness of reimbursement and patient access.
- Breadth and quality of market availability and access.
- Compliance with applicable laws, regulations, company policies, and ethical standards.

Qualifications and Capabilities

- Minimum five years of market access experience, with strong insight into healthcare and reimbursement policies.
- Strong cross-functional collaboration and stakeholder management skills.
- Strategic mindset with a strong track record of execution and delivery.
- Proven leadership in setting direction, engaging teams, and driving results.

Why Novartis: Helping people with disease and their families takes more than innovative science. It takes a community of smart, passionate people like you.
