Сводка

Are you passionate about people, eager to learn, and curious about how People & Organization (P&O) / Human Resources (HR) contributes to the employee experience?

We are looking for a Long-Term P&O / HR Intern to join our team and gain hands-on experience in a dynamic and collaborative environment at Novartis Kurtkoy Manufacturing Site.

About the Role

What you will do

- Support day-to-day **P&O** / **HR processes** and employee-related activities
- Contribute to **employee experience, engagement and development initiatives**
- Support recruitment and internship processes
- Take an active role in **P&O** / **HR projects, events and internal communications**
- Support reporting, data analysis and presentations
- Explore opportunities to improve P&O / HR processes through **digital tools and AI**

What we are looking for

- 3rd or 4th year university student in **Business Administration, Industrial Engineering, Psychology, Sociology, Labor Economics** or related fields
- Able to work **at least 3 days per week** during the academic year
- **University-provided Social Security (SGK) coverage throughout the internship period is mandatory**
- Good command of **English**
- Strong communication and organizational skills
- Proactive, curious and eager to learn
- Good command of **Microsoft Office tools**, particularly Excel and PowerPoint
- Interest in **AI and digital tools** and willingness to explore how they can be used in P&O / HR
- Collaborative mindset and willingness to take ownership

What you can expect

A long-term internship where you can gain **hands-on P&O** / **HR experience**, contribute to meaningful projects, collaborate with different teams and develop your skills in a global organization.
